Good Morning All...

We were approved on the Consent Calendar at yesterday's Municipal Facilities Committee meeting!! The City will accept our 13 lot dedication as separate lots with the goal of their incorporation into the WTC BID to pay the maintenance costs.

We need to acknowledge the tremendous support of Councilman Mike Bonin and his staff.

Next week is the Zoning Administration hearing.

Sue, can you get us some letters from your neighbors & friends?

Marc, can you write us a couple of letter on letterhead? Or as a citizen?

David, can you get us a couple of letters on Otis letterhead? And one from the "immediate past President of the Chamber of Commerce"?

Geoff Maleman is working on Neighborhood Council Letters and Chamber of Commerce. He also has a letter into YMCA.

Miki, can you get us a couple of Drollinger letters?

These items have a short time fuse!! The Municipal Facilities Committee meeting is next Thursday.

Anyone have any suggestions for more letters?

Thank you all.
